\*Extruded solid color.

\*\*White woodgrain is available with a beige base only; white woodgrain is not available for 6400 Series patio doors.

†All colors may not be available for all products nor in all markets. Consult with your Alside Sales Representative for information on product availability.

Note: Colors are as accurate as printing techniques allow. Make final color selections using actual product samples.

*When you consider the time and expense of painting and maintaining wood windows year after year, you'll see why our FrameWorks Color Collection is an ideal choice. With colors ranging from subtle palettes to bold contrasts, FrameWorks inspires a refreshing design perspective that lets you give your home your personal touch.*

While capturing your attention with distinctive style, each color also delivers superior performance. Our interior woodgrain laminate finishes are expertly crafted for outstanding durability that maintains its attractive appearance over the life of the product. Ultra-premium exterior colors are achieved with a cutting-edge polyurethane coating technology incorporating heat-reflective pigments to ensure a remarkably strong, fade-resistant and highly weatherable finish that's easy to clean. Together, this versatile collection will elevate your windows and patio doors to a higher level of distinction.

*The Alside Window Design Showcase.*

*Creating the ideal look for your windows and patio doors? Alside's Window Design Showcase is an interactive online visualization tool that gives you the ability to virtually design and explore countless window and patio door options. Visit [www.alside.com](http://www.alside.com) to get started.*
